Public Safety Telecommunicator II Application for Employment

Job Overview

PST II positions focus on learning REDA systems, service agencies and obtaining all required training and certification as is mandated by the department, the state of New Mexico or the federal government. PST II's provide the full range of call-taking and dispatching functions for law enforcement, fire and medical emergency calls, as well as certain non-emergency functions.

Distinguishing Characteristics

Although this position is for candidates currently holding public safety telecommunications certification (state or federal), there will be mandatory training for REDA's systems, procedures, protocols and policies. That being understood, the PST II should exhibit those characteristics typically held by a veteran dispatcher; good customer service, professionalism, call-processing, confidentiality, integrity, team work, basic radio etiquette, understanding the vital need of accurate paperwork, research and relay of information requested from the field. Basic operational knowledge of NCIC and basic understanding of its purpose.

Essential Job Functions

- Receive and transmit telephone and radio emergency calls, as well as non-emergency calls and complaints or inquiries from the public
- Assess and appropriately respond to a caller's emotional state
- Evaluate and prioritize calls based on urgency
- Determine the correct jurisdiction, equipment and personnel to be dispatched
- Dispatch appropriate law, fire or emergency response personnel
- Respond to requests from emergency response personnel
- Operate two way radios, multi-line phone and teletype systems, computers, data communications terminals and other complex communications equipment to quickly and correctly access information and respond to requests from police, fire and EMS
- Record the nature and source of incoming and outgoing radio and telephone messages
- Study and maintain familiarity with major roads, streets, industrial plants and buildings
- Monitor multiple public safety frequencies
- Perform other related tasks and duties as assigned

Minimum Qualifications

- At least 18 years of age at time of hire
- Possess a High School diploma or GED Certificate of Completion
- Possess a valid driver's license (This is required if you are driving vehicle onto post as well as for NCIC full access)
- Possess current registration and proof of insurance on vehicle (If you will bringing a vehicle onto post)
- Able to legally work in the United States
- A stable and reliable work history, with at least one year being continuous work experience in public safety telecommunications.
- Have no felony convictions
- Have no Marijuana use in the last twelve (12) months and no other illegal drug use in the past thirty-six (36) months.
- Certified dispatchers must be able to produce a current public safety telecommunicator certification at time of application.
- If current certification is outside the state of New Mexico, the applicant must be willing and able to complete the Certification by Waiver process through the New Mexico Department of Public Safety at the first available academy date.
- Successfully complete all recruitment and selection components including, but not limited to, skills testing, oral board interviews, detailed background investigation, and the required post-offer processes: drug screen, physical and psychological evaluation.

Any combination of qualifications and work experience that demonstrates an applicant has the necessary knowledge, skills, ability and character to successfully perform the job will be considered.

Public Safety Telecommunicator II must either possess or gain the following during the course of their training program and through the probationary period:

Knowledge of

- Current policies, procedures and protocols established by REDA for the fulfillment of those public safety call-taking and dispatching for the citizens and service agencies of Eddy County.
- Eddy County geography, including locations and boundaries of all cities and townships, locations of major highways, streets and key buildings and landmarks, and addressing systems used for each jurisdiction

Ability to

- Perform extensive data entry and data retrieval from visual and / or audio sources
- Understand and execute complex oral and written instructions
- Demonstrate appropriate interpersonal communication skills for public safety call taking and dispatching, including written and oral communication
- React quickly and correctly to emergency situation, and adopt effective course of action
- Learn and correctly apply detailed procedures and policies both in structured situations, such as emergency medical dispatch (EMD), and in non-routine situations that require independent judgment, critical thinking and applications of complex and varied procedures and policies, such as law enforcement dispatching
- Learn, retain and use knowledge of Eddy County geography in the course of work
- Operate computerized equipment including computer aided dispatch (CAD), enhanced 911 (ANI/ALI), and automatic vehicle location (AVL) programs
- Received and accept regular feedback and constructive criticism without being defensive
- Dispatch public safety personnel and equipment safely, quickly and efficiently
- Relay messages exactly as received
- React quickly and calmly in emergency situations and adopt effective courses of action
- Perform call taking and dispatching work by phone, radio and using other standard communications center equipment
- Assess callers' emotional state, respond correctly to emergency and routine situations
- Prioritize calls based on urgency
- Apply appropriate initiative, discretion and judgment in the work
- Apply available guidelines, policies or procedures in diverse situations
- Develop and maintain effective working relationships with the public, coworkers, supervisors and managers, user agency stakeholders, and officials from other jurisdictions, department or agencies
- Perform work under stressful or emotional conditions
- Work any assigned shift, including day, swing, or graveyard and work all days of the week including weekends and holidays
- Work under pressure in a loud, multi-tasking environment
- Work mandatory overtime as needed and assigned
- Have reliable and predictable attendance

Work Environment (Essential functions)

Work is performed in an indoor, open-space environment and stationary setting. Incumbents work with and are surrounded by computerized control panels that require detailed dexterity. The majority of time is spent in a seated position; however, dispatchers have freedom to stand and move in a limited area, primarily that of the cordless reception area of the headset. Headsets are worn at all times while on duty on the operations floor. Incumbents are expected to manage over the phone interactions and confrontations with angry, hostile, depressed and / or otherwise emotionally distraught members of the public. As a result, work requires quick, independent action and alertness in emergency and possible life threatening situations. Work entails extensive keyboarding and manual dexterity, and also entails regular reaching, stretching, and lifting of standard dispatch supplies and materials, such as maps, binders, and flip charts.

Physical Demands typically involve, but are not limited to:

Hearing and Speaking

- Hear, understand and respond to verbal information in person, by phone and by radio, including difficult to understand callers
- Speak clearly and concisely in English
- Hear, understand and respond using radio transmitters and receivers, radio consoles, telephone / radio headsets, multi-line telephones systems, and complex communications equipment

Seeing and reading

- See, read and understand written information and instructions in all forms, including handwritten, hard copy or electronic communications formats
- See and use all related communications equipment including radio transmitters and receivers, radio consoles, telephone / radio headsets, multi-line telephone systems, lease line teletypes, computer consoles, and data communications terminals
- See color differentiation as necessary to distinguish color variations on maps, computer screens and radio consoles

Mental acuity and alertness

- Understand, respond to, and apply complex concepts, information, and instructions including policies, procedures, laws, and regulations
- Engage in frequent interpersonal interactions that are stressful or sensitive in nature
- Handle difficult interpersonal interactions and complaints with tact and diplomacy
- Manage and accomplish multiple priorities and diverse responsibilities with a high level of accuracy
- Think and apply judgment, discretion, and initiative in accomplishing work
- Work effectively despite sleep pattern disruptions as a result of rotational and/or irregular shift work and overtime

Manual dexterity and typing

- Extensive use of computers, keyboards, office equipment and similar specialized technical and electronic equipment commonly found in communication centers
- Performing multiple tasks requiring manual dexterity at the same time
- Write legibly

Physical dexterity

- Sit for extended periods of time; stand or walk as necessary
- Sit for extended periods of time particularly during high stress situations
- Stretch, reach, or lift objects or materials that may be up to 50 pounds in weight
